KAVERI CITY HOSPITAL

Department of Orthopaedics - Joint Replacement Unit

Cashless pre-authorization request: planned admission

Patient: Vikram Rao, 61 years, male. Contact +91 99001 47258, vikram.rao61@example.com. Aadhaar 7314 0082 6619. Policy no. GH-POL-101942 (self).

History: bilateral knee pain for 3 years, worse on the right, now limiting walking to about 200 metres and stair climbing. Conservative management with analgesics, physiotherapy and intra-articular injections over 2 years without lasting relief.

Examination and imaging: varus deformity right knee, crepitus, range of motion 10-95 degrees. X-ray right knee: Kellgren-Lawrence grade IV with medial joint-space loss and osteophytes.

Provisional diagnosis: primary osteoarthritis, right knee (ICD-10 M17.11).

Proposed treatment: right total knee replacement (cemented) on 24-Oct-2026. Expected stay 5 days in a private room at Rs 6,500 per day.

Cost estimate: room Rs 32,500; OT Rs 45,000; surgeon and anaesthetist Rs 85,000; implant and consumables Rs 1,40,000; medicines Rs 22,000; investigations Rs 25,500. Total Rs 3,50,000.

Documents attached: admission note, itemised cost estimate, knee X-ray report, orthopaedic consultation note, ID proof.

Treating surgeon: Dr. Suresh Nayak.
